PARCEL SELECT CONTRACT 41 (MC2021-34)
NEGOTIATED SERVICE AGREEMENT

Docket No. CP2021-35

**USPS MOTION FOR LATE ACCEPTANCE OF NOTICE OF AMENDMENT TO
PARCEL SELECT CONTRACT 41**
(January 18, 2023)

The Postal Service hereby moves for late acceptance of its notice of an amendment to Parcel Select Contract 41. The Postal Service has today filed its notice that the parties have mutually agreed, pursuant to Section VI of Parcel Select Contract 41, to amend the contract. However, the Postal Service recognizes that the language of Parcel Select Contract 41 calls for notification to the Commission at least seven days prior to the contract's termination date. Parcel Select Contract 41 was scheduled to terminate on January 21, 2023, and although the parties agreed to an amendment to extend prior to that date, the appropriate notice was not filed with the Commission until today. The delay was a result of ongoing negotiations with the customer regarding a successor contract. The Postal Service regrets the delay but submits that no party has been materially prejudiced by it.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
